TISSUE PAPER CHRISTMAS TREE CARD

OLD FASHIONED CRAFTS

Page 1 of 2

Supplies: Cardstock - brown, yellow
Tissue paper - green, red, blue
Brown marker
Glue and scissors

Fold a sheet of brown cardstock in half.
Draw a simple rectangle with the brown marker towards the bottom center of the card.

Use regular school glue to make a triangle, with the bottom resting right at the brown rectangle. Leave room at the top for the star.

Take pieces of red and blue tissue paper. Scrunch up and place a few throughout the glue.

Now, scrunch up the green tissue paper and fill in between the red and blue pieces.

Use scrunched up green tissue pieces to fill in all spaces on the glue triangle.

Draw and cut out a star from the yellow cardstock. Glue in place on top of the tree.

Enjoy these hand crafted cards for the holidays.
