PAPER LEPRECHAUN BOOKMARK

1

Supplies: Colored craft papers (green, orange, pink, yellow and black.) plus craft glue, sharpie, pencil and scissors.
Print the templates provided and trace them on the selected craft papers.

2

Trace the head, nose and hand patterns on pink; the hat, body and sleeve patterns on green; the beard on orange; the strip and the small square on black; and the medium square on yellow paper. Cut out the traced papers.

3

Glue the pink head cutout on one side of the orange beard cutout.
Glue the hand cutouts on both sleeve cutouts.

4

Use glue to attach the head pattern on the round side of the body cutout. Glue the arm patterns in place at the shoulders with the hands pointing in. Do not glue the hands to the body.

5

Glue the nose cutout in the middle of the head cutout.
Use a sharpie to draw the eyes and mouth of the leprechaun.

6

Glue the black strip near the bottom side of the hat cutout. Glue the small black square inside the yellow square and then glue both squares to the middle of the black strip to complete the hat.

7

Glue the paper hat on top of the leprechaun's head.

8

You can slide a page under the arms of the papercraft leprechaun to use it as a bookmark.

One night the ground shake fiercely trembl...
