**Supplies:** Colored craft papers, craft glue, pencil, scissors.

**Print** the templates provided and cut out each pattern piece.

**Trace** the template pieces onto the colored papers of your choice.

**Cut out** the traced pattern pieces from the colored craft papers.

**Insert** the hat-strap through the slits of the small square cutout and then attach the strap on the hat pattern. **Attach** the shoe cutouts on the narrow ends of the stocking cutouts. Use a sharpie to draw stripes on the stockings.

**Insert** the top side of the head cutout through the slit of the hair from below the slit. **Apply** glue to attach the head and hair together, keeping the top side of the slit to the front side of the head.

5

Take the dress pattern and attach the arm cutouts on both sides of the dress cutouts, on the open ends of the sleeves.

6

Attach the stocking cutouts on the bottom side of the dress pattern.

7

**Attach** the head on the top side of the dress pattern, keeping the dress between the head and the hair patterns. **Attach** the hat on the top of the hair, by overlapping it slightly.

8

Use a sharpie to draw the face of the papercraft witch.
