**Supplies:** Colored craft papers, white embossed paper, craft foam sheet, golden glitter paper, craft glue, pencil, scissors.

**Print** the templates provided and cut out each pattern piece.

Select colored craft papers for the rainbow, pot and shamrock patterns; and trace the patterns on the papers. **Trace the cloud** patterns on the white embossed paper and the coins on the golden glitter paper. **Cut out 2** small pieces of craft sticking foam. **Cut** a slit along the red line of the pot pattern.

**Take** the largest rainbow layer and **stick** the 2nd largest rainbow layer on top of the largest one.

**Align** each layer along their straight sides.

**Stick** the next smallest layer followed by the next one, until reaching the smallest one. Your rainbow is now formed.

**Stick** the paper rainbow pattern on the middle of the background paper. **Place** the rainbow near the top of the paper to keep space for the pot. **Attach** the small craft foam pieces on the backside of the cloud patterns.

**Stick** the large cloud on one side of the rainbow, near the bottom. **Stick** the small cloud on top of the large cloud. **Use a sharpie** to trace the outline on the pot cutout.

**Stick** the pot cutout on the bottom side of the rainbow pattern.

Keep the slit part free from glue.

**Insert** golden glitter coins inside the pot through the slit.

**Stick** 1 or 2 shamrock cutouts to the craft.
