Supplies: Shoebox, green cardstock or construction paper, straw, scissors, glue dots or school glue, chenille stems, 2 large shamrocks, gold coins, and green decorations.

Cut the green paper to fit the inside bottom of the shoebox and attach with glue.

Cut the remaining green paper to fit the outside of the shoebox, completely covering the box, and **attach** with glue.

To the front of the shoebox, **attach** the chenille stems in the color order of a rainbow.

To each side of the chenille stems, **glue** a large shamrock.

Decorate the inside of the box with toys, beads, candy, and coins.

Fill a pot of gold with coins to tempt your leprechaun.

Prop the top of the box open with a straw. Your leprechaun can see inside now.
